ORAL ORDER

(Passed on 21st March, 2007)

The grievance of the petitioner before this Court in this writ petition is that the respondents have not considered his representation to regularize his services as Assistant Professor (in History). Therefore, he is seeking a writ of mandamus from this Court against the respondents.

(2) The respondents are the statutory authorities. They are expected to consider the request made by a responsible person for certain reliefs. Since that has not been done in the instant case, an appropriate direction requires to be issued to the respondents.

(3) Accordingly, the writ petition is disposed of. The respondents are directed to consider the grievance of the petitioner made out in his representation, if the same is available in their files, in accordance with law, as expeditiously as possible, at any rate, within a period of six months from the date of receipt of a copy of this order. Ordered accordingly.
